

FLINGING ON THE BLING FOR CASUAL DAY: Casual Day is celebrated each year on the first Friday in September to help support The National Council for Persons with Physical Disabilities. It was also the initiative's 20th birthday and participants were urged to fling on the bling, with glitter, sequins, baubles and feathers in celebration of the cause. As in previous years, Camphill School received R4 for every Casual Day sticker sold. Bringing out their bling at the school were administrative officer, Genevieve Linney, public relations and fundraiser, Michelle van Zyl and the foreman, Clint Fouché.
