A silver shoe for Cinderella

A "CINDERELLA" will be chosen—and she will be the young woman whose foot best fits a silver shoe—at the "Cinderella Ball" which has been organised for Saturday night at the Imperial Hotel, in aid of the Rudolf Steiner School in Hermanus.

"We couldn't get a glass slipper, otherwise the lucky contestants in the 'Cinderella' competition would have tried their feet in a glass shoe," said Mrs. E. D. de Klerk, who is on the committee organising the dance, yesterday.

Others on the committee are Mr. E. E. Ellis, Mr. and Mrs. M. Jenks and Mr. E. Q. Kewney.

The Ball will be under the patronage of the Administrator, Mr. D. G. Shepstone, and Mrs. Shepstone, and the organisers are hoping for a bumper affair which will aid the Rudolf Steiner School cause.

There will be the usual spot and hat dances, prizes for which have been donated by several firms, and an exhibition dance by Daphne Arbuckle and Abe Liebenberg.

Music will be provided by Wally Kroeger's Orchestra.

To help advertise the Ball, a local store has decorated a window with Cinderella and the Ugly Sisters, the tableau being complete with pumpkin and mice.
