Camphill challenge

Camphill School will have their first fundraising event of the year on Saturday 14 February, in the form of an energetic sports challenge. There'll be mountain bike rides, trail runs, a fun run, activities for children and boeries galore. Enthusiastic MTB cyclists and trail runners will be able to master the challenge of the tough courses laid out for them uphill and down dale across the Hemelen-Aarde Valley, while scores of walkers stroll their way around gentler routes.

All the routes have been designed by Hermanus Adventures, under the leadership of Paul du Toit of the Wine Village.

Registration will commence at 06:00 or alternatively enter online at: www.enteronline.co.za. Contact 028 312 4949.
