

Thank you for supporting L2L

The committee of the 2019 Lighthouse 2 Lighthouse Ladies Walk in aid of Camphill School Hermanus, would like to thank each and every one of our sponsors for their valuable contribution to our charity walk this year.

Our organisation would not be the success that it is if we did not have the continued support of our local community to donate to our project. Our motto at Lighthouse is 'if you don't ask, you don't get' and nothing was too much or ever a problem for any of our sponsors. It was such a pleasure to work with all of them over the months leading up to the walk – right up to and including the days that we walked. We really thank you from the bottom of our hearts for helping us to make a difference in our community again.
